**Subject:** Patti in Durango week of August 17

Adam,

I am in Durango this week assisting with our response to the gold king mine and unfortunately will be unavailable to introduce you during the ACE connections call on wednesday. I am hoping Cindy Reynolds, Gail or Rebecca can introduce you. I am bummed to miss your presentation and know it will be great! I return to the office on Monday, August 24th.

Thanks for your understanding,  
Patti
